

The Alliance to the Medical Society of Mobile County
Belong, Make a Difference, Grow

Dear Prospective Member or Renewing Member,

We would like to thank you for your support of the Alliance. Whether you are a new member or a returning member, your annual dues keep our organization strong to support each other and our beloved community! We look forward to the future and continuing the legacy of the Alliance. We would not be able to help the non-profits we work hard to support without the assistance of community-minded individuals like you.

We would love to continue our work within the community as well as continue to grow this amazing group. If you know of any new physicians or physician families to the area, please invite them to join or reach out to a board member with their information.

We are looking forward to a full year of events! We have included the current calendar, as well as a section for volunteer interests on this year's application. Be sure to provide us with your current e-mail, postal address and phone number with your renewal. As always, contact us with any ideas and suggestions!

Sincerely,

Your Alliance Executive Board
